

# K 4 Compact

The K4 Compact Pressure Washer combines power and energy efficiency – its innovative water-cooled induction motor ensures enhanced performance and longer life. The K4 Compact has a Quick Connect hose system, eliminating kinking and reduces set up times to make it even easier to use. Its compact dimensions allow for convenient transportation and storage, while the aluminium telescopic handle and wheels ensures excellent mobility. Ideal for cleaning all around the home, the K4 Compact includes a Vario Lance, detergent suction hose and Dirtblaster Lance which provides up to 50% greater cleaning power than a standard high pressure lance. An impact-resistant recyclable plastic casing and fine mesh water filter prevent dirt particles from damaging the motor and three-piston axial-flow pump, whilst a safety valve prevents pressure overload. All Kärcher K4, K5 and K7 Pressure washers can work using a static or harvested water source drawn either using a Kärcher suction hose and filter, or connected to a water butt tap. The K4 Compact comes with a 3 year guarantee.

## K 4 Compact

■ Quick Connect

### Technical data

Order No.	1.637-311.0	
EAN code	4039784729384	
Pressure	bar / MPa	20-130 / 2-13
Flow rate	l/h	420
Max. water feed temperature	°C	40
