# Meet the Challenge Winner

Micah (LEGO® Ideas name ModularManiac) is the Grand Prize Winner of our *Build from the Heart* Challenge. With this creative take on a Valentine's Day build, the IT technician from Michigan wowed both fans and LEGO designers.

*Micah with his original submission*

*"I really enjoy combining my passions for LEGO design, art direction, storytelling and rendering. I especially love recreating organic structures, so this model was truly built from the heart, and winning the challenge felt so surreal and exhilarating. I researched flowering trees and birds to get the proportions right, and I experimented with creative use of LEGO elements to arrange the twisty tendrils and shape the birds' heads."*

*For Valentine's Day, gift-giving is a nice sentiment, but spending time together is the greatest way for us to deepen our cherished relationships. This creation serves as a reminder to continue sharing affection and thankfulness with our loved ones. Making an elegant display piece, or just a fun build, these adorable 'lovebirds' will remain side by side."*

## from the LEGO® Ideas Design Team

Micah's model is a beautiful and technically advanced build and an appealing display, not just for Valentine's Day but all year. These lovebirds aren't supposed to be any particular species; they're simply cute birds devoted to one another! Staying true to the original shape and angle of the tree, the voluminous foliage and the twisting bark, we simplified parts of the model to make it a little more accessible for all adult builders. You can build the

*"The two birds form a heart  
when posed the right way: Just  
point their tails together and  
tilt their heads inwards!"*

Design Team*

model by yourself, with a loved one or as a family. As a tribute to Micah, we added white, light grey, sand-green and blue bricks inside the model – colours from his favourite LEGO® set, the 10251 Brick Bank.

We have also updated the tree's foliage colours to create a more vibrant contrast. Additionally, befitting a model celebrating love, this is one of the first sets to feature a new colour for the LEGO Group: Warm Pink, which complements Micah's coral.
