Monitor What Matters.

Monitor your nursery with the Motorola EASE35-2. Use the large, 5" display to get a clear view of your little one and control camera functions. Get a close-up view of your baby using the digital zoom function. Monitor the room temperature to ensure the nursery is comfortable for your baby. Speak to and hear your little one with the two-way talk feature and soothe them to sleep with a lullaby, soothing sound or audiobook, without going into the nursery. Stay connected throughout your home with up to 1,000ft (300m) range and never miss a peep with the high sensitivity microphone.
